PROJECTED SUBTOTAL

Once again, we are pleased to provide beautiful sets of Lulav and Esrog featuring meyuchas (kosher, non-grafted) Esrogim from CALIFORNIA. All Esrogim are exceptionally high quality and under the Hechsher of Rabbi Avrom Teichman, head of Kehilla Kashrus and the Rav of Agudas Israel, Los Angeles.

SHMITTAH - Sabbatical Year

This year (5768) is the Sabbatical Year. Since our Esrogim come from California, you can be assured that there are not questions related to shmittah. However, much of the produce coming from Eretz Yisroel supplied by other vendors will be affected. Those items (Hadasim, Deri and other Israeli lulavim) that we do purchase from Eretz Yisroel will have been under the strictest supervision to ensure that the laws of Shmittah have been followed meticulously. Accordingly, prices on these items have risen.

Additionally, we plan to donate a portion of our proceeds to Keren Shviis (www.shviis.com), an organization that assists Torah observant farmers in Eretz Yisroel observe the Shmittah year. Since the first exile was lengthened as a punishment for the number of Sabbatical years not upheld by Am Yisroel (70), may our exile be shortened in the merit of our meticulous observance of the mitzvah of the Shmittah year.
