

DIRECTORY OF SHATNEZ LABORATORIES

WORLDWIDE- May '10

Prepared by the International Association of Professional Shatnez Laboratories

The importance of using properly trained Shatnez testers cannot be overstated. In order to direct consumers to reliable testers, we have compiled a Directory of recommended and reliable Shatnez Laboratories worldwide.

The absence of a tester's name from the listing should alert one to the possibility that problems may exist with this particular tester's qualifications.

| New York-Metropolitan area, Lakewood, Passaic, Monsey & Monroe | | | |
